

Funerbi Floretti

Ieri alle ore sedici seguirono i funerali del compianto studente di S. Licio Scientifico Angelo Floretti, ucciso da una dimostrazione di affetto e cordoglio verso il povero giovane così presto e dolorosamente tolto alla vita.

Il corteo mosse dall'abitazione dello studente, via Vittorio Veneto 13, preceduto dalle insegne religiose e dalla rappresentanza con bandiere del R. Istituto Tecnico «A. Zanussi», e R. Liceo Scientifico. Seguivano moltissime corone, dalle quali notammo le seguenti: I. poveri Floretti, gli zii, le cugine Dolci, la famiglia Baldini, Caponi da Rimoldi, Perussutti, Gaspari Giammo, Veronesi, il R. Liceo Scientifico ed altre.

Veniva quindi il carro funebre, con sopra deposta la corona dei genitori e fratelli, ed ai zordoni i compagni del Liceo.

Accompagnavano la salma, il padre, gli zii ed altri congiunti, ed uno stuolo numeroso di amici, compagni e compagni di scuola e conoscenti. Gli inseguenti del R. Liceo Scientifico erano rappresentati dal prof. Tedesco Davide Ragni e dalla signora prof. Pizzo.

Il corteo proseguì direttamente per il cimitero dove vennero celebrate le esequie. Prima che il muto corteo si sciolgesse, lo zio Scamio Vittorio, a nome anche dei genitori, con commossa parola portò al povero congiunto l'estremo saluto.

Alla famiglia Floretti così dolorosamente colpita, il nostro vivo cordoglio.
